

CPCCE4009

Supervise Asbestos Removal

CPCCE4009 – SUPERVISE ASBESTOS REMOVAL IS A NATIONALLY RECOGNISED COURSE THAT EQUIPS PARTICIPANTS WITH THE ADVANCED SKILLS AND KNOWLEDGE REQUIRED TO PLAN, COORDINATE AND OVERSEE THE SAFE REMOVAL OF BOTH FRIABLE AND NON-FRIABLE ASBESTOS IN ACCORDANCE WITH WHS LEGISLATION, CODES OF PRACTICE AND REGULATORY REQUIREMENTS. THE TRAINING FOCUSES ON DEVELOPING AND IMPLEMENTING ASBESTOS REMOVAL CONTROL PLANS (ARCPs), SUPERVISING SITE PREPARATION, ENSURING COMPLIANT WORK PRACTICES, COORDINATING AIR MONITORING AND TESTING, AND OVERSEEING DECONTAMINATION AND DISPOSAL PROCESSES WHILE MAINTAINING STRICT SAFETY STANDARDS. KEY BENEFITS INCLUDE ENABLING PARTICIPANTS TO MEET MANDATORY LICENSING AND SUPERVISORY REQUIREMENTS, ENSURING FULL LEGAL AND REGULATORY COMPLIANCE, PROTECTING WORKERS AND THE PUBLIC FROM ASBESTOS EXPOSURE, AND BUILDING THE LEADERSHIP CAPABILITY AND CONFIDENCE NEEDED TO EFFECTIVELY MANAGE HIGH-RISK ASBESTOS REMOVAL PROJECTS ACROSS CONSTRUCTION, DEMOLITION AND REMEDIATION ENVIRONMENTS.

CPCCE4009 Supervise Asbestos Removal

Release #: 1 | Release Date: 04/02/2026

Course Description

This unit of competency specifies the outcomes required to supervise the removal process for friable and non-friable asbestos containing material (ACM). The unit includes planning for and supervising the removal process, including preparing the work area and the worksite, using safe and compliant removal practices, maintaining safety procedures, and supervising the decontamination and removal processes.

Ensuring compliance with the asbestos removal control plan (ARCP) is central to the effective performance of the role. This includes ensuring and documenting that required air monitoring and other testing and certification processes are conducted by licensed asbestos assessors according to legislation.

Site locations include domestic, commercial, demolition and construction, ships, soils and fences.

Candidates are advised to check for regulatory requirements relating to relevant industry experience for licensing purposes.

Licensing/regulatory information

Occupational licenses are required nationally. Work must be completed according to relevant legislation, the Code of Practice for the Safe Removal of Asbestos, industry guidelines, customer and organisational requirements, including work health and safety (WHS) policies and procedures, and regulatory requirements.

Target Cohort / Entry Requirements

This course is intended for:

This training is designed for individuals who are responsible for planning, managing and overseeing asbestos removal activities, including:

- Asbestos removal supervisors and team leaders required to coordinate and monitor removal operations.
- Licensed asbestos removalists (Class A or Class B) progressing into supervisory roles.
- Construction, demolition and remediation supervisors or managers overseeing works where asbestos is present.
- Contractors and site managers responsible for ensuring compliance with asbestos removal control plans (ARCP), WHS legislation, and Codes of Practice.
- Safety (WHS) professionals involved in monitoring, auditing, or managing high-risk asbestos removal work.

- Experienced workers who have completed CPCCE3028 and/or CPCCE3029 and need to step into a supervisory position.

This course is specifically aimed at those with legal responsibility for directing asbestos removal work, ensuring compliance, coordinating testing and air monitoring, and maintaining the health and safety of workers and the public during higher-risk asbestos removal projects.

Entry requirements may include:

- Prerequisite unit CPCWHS1001 Prepare to work safely in the construction industry
- Prerequisite unit - Candidates wishing to supervise friable and non-friable ACM removal must complete: CPCCE3029 Remove friable asbestos.
- Prerequisite unit - Candidates wishing to supervise only non-friable ACM removal must complete: CPCCE3028 Remove non-friable asbestos.
- Language, literacy, numeracy and digital skills (LLND test may apply)
- Minimum age of 18 (If under 18 parental consent is required).
- Physical requirements - A participant must be in good health and medically fit for work.
- All students participating in VET qualifications are required to have a Unique Student Identifier (USI).
- The RTO will provide the prospective student with a Course Suitability Checklist that will help the student and the Trainer / Assessor if the course is relevant and applicable to students' needs.
- The RTO will provide constructive and honest feedback to the prospective student if it is decided that the VET student does not yet have the LLN+D skills or meet the entry requirements to cope with the rigor of the training and assessment material and process.

Selection Criteria

Learners should demonstrate:

- Reading and writing ability in varied contexts
- Oral communication and comprehension skills
- Basic numeracy and mathematical problem-solving

Course Duration & Delivery

- **Delivery Mode:** Face-to-face
- **Delivery Location:** 1/6 Pippita Close Beresfield NSW 2322
- **Duration:** 8 hours (1 day)

Assessment Information

Assessment methods may include:

- Written tasks
- Practical demonstrations
- Simulated tasks

Resources to be provided by the VET Student

- Transport to training facility.
- Appropriate clothing, closed-in footwear.
- Students will be required to provide their own digital devices, able to access reliable internet

Resources and services to be provided by the RTO

- A safe, inclusive and engaging learning environment.
- Pre-enrolment processes to ensure the course is appropriate and suitable for VET Students' needs.
- Access to LMS with personal secure login
- All Learning and Assessment resources.
- Public liability Insurance Cover (for on- and off-site training).
- Risk assessed facilities, equipment and processes for safety and duty of care, including accessibility.
- Policies and procedures to ensure and monitor delivery of high-quality services.

Course Fees

- **Total Course Fee:** \$699.00 per person

Please note all course fees must be paid before issuing qualifications.

Refund Policy

Refer to the Enrolment Agreement or Student Handbook for full terms, including refund conditions and withdrawal procedures. This can be accessed via the website <https://newcastlerescue.com.au/resources/>.

Support Services

All students have access to:

- LLND support.
- Wellbeing and counselling referral.
- Trainer support (via email enquiries@newcastlerescue.com.au, phone 1300 356 686, or online platform <https://newcastlerescue.com.au/resources/>).
- The enrolment application process identifies any support needs and possible matters which may impact training and assessment via the Suitability Checklist.

- Contextualisation and additional support needs are reviewed for reasonable adjustment and implementation prior to training commencement.
- Support, progression and adjustments are reviewed throughout the nominal duration of the training.

Recognition of Prior Learning (RPL) & Credit Transfer

All students may apply for RPL or Credit Transfer.
