## Course Description

UETDRMP010 Provide First Aid in an ESI Environment

This unit involves the skills and knowledge required to provide first aid in an electricity supply industry (ESI) environment.

It includes the recognition and provision of an initial response where first aid is required and how it applies to ESI workers to meet work health and safety (WHS)/occupational health and safety (OHS), mobility and mutual aid requirements.

No licensing applies to this unit at the time of publication.

HLTAID009 Provide Cardiopulmonary Resuscitation

This unit describes the skills and knowledge required to perform cardiopulmonary resuscitation (CPR) in line with the Australian Resuscitation Council (ARC) guidelines.

This unit applies to all persons who may be required to provide CPR, in a range of situations, including community and workplace settings.

Specific licensing/regulatory requirements relating to this competency, including requirements for refresher training should be obtained from the relevant national/state/territory Work Health and Safety Regulatory Authorities.
